

Description

NEW ON THE MARKET we have this beautifully converted Townhouse House in a quiet, UCA area of Paola, yet very central. Property consists of Kitchen/living/dining, a back yard, 2 bedrooms, a traditional Maltese balcony, 2 bathrooms, a washroom, and 2 roof terraces, one back and one front. At the moment the house has 2 bedrooms but a 3rd bedroom can be added. The house is currently split into two apartments, one ground floor and another on the 1st floor, one can decide to keep it as it is as a rental investment, or it can easily be converted back into a whole house as a family home.
