

Description

NEW ON THE MARKET - comes this much larger than usual 3 bedroom penthouse finished to a very high state in the sought after area of LUQA. This property consists of a very large and well lit open plan leading onto a spacious terrace tiled with travertin, 3 bedroom and 3 tiled bathrooms. This property comes finished with 120 x 120 beautiful tiles, soffit ceilings, insulation, and preparations for ACs and Fireplace . This penthouse also comes with ownership of its roof and airspace (which has preparation for a roof top pool) and ownership of the common areas of the block.

Anyone purchasing this property could benefit from a green homeloan (benefiting from the reduced loan rates to 1%) as there is enough space to install solar panels. An optional garage is also available
